4th grade spent time dissecting owl pellets. Next week Jupiter, the owl from Game and Fish will visit BCE with his handler, Rene Schell.

Our staff spent an evening helping with the Good Samaritan Meal.

Testing

We are starting spring testing. Next week the 4th graders will take the NAEP test on Wednesday and 5th grade will begin the WYTOPP writing test. It is extremely important that you check with your child's homeroom teacher before making any appointments or plans that will pull your child out of school. These tests are tough if you need to make them up.

5th Grade Spelling Finalists Compete

Our 5th Grade competes in the Spelling Bee every year. Finalists are determined after students take a written test. This year we had thirteen students who competed in Wednesday's event. The spellers begin the competition with an oral spelling bee. The last five students took a written exam comprised of ten spelling words. This year three students emerged from the written test with six out of ten words spelled correctly so we held a second round. Third place went to Landon Collins, second to Crew Phillips and first to Reagan Bauer. These students are eligible to attend the state spelling bee in Rock Springs on March 15.

People present: Traci Darr, Ani Heikkila, Matt Jacobson, Jennifer Butler, Sarah Adams, Erin Robinson, Arlen Lancaster, Marnie Fusco, Aimee Collins-Kemp

Welcome

Traci welcomed everyone and thanked them for coming

Art Link Wyoming

Marnie wrote a Rec Board Grant – since there is no more funding from the schools, they can do more with the public. There is a lot of interest from LMS students... particularly from 8th graders

She would like to build a stronger connection between the Art Center and Lander Performing Arts

Upcoming Events/Classes

2/5 – WY Symphony Outreach for LMS band students

2/6 – Acting workshop begins (6 evenings free to public @ Lander Library)

2/14 – Native dancers/drummers performing for 5th graders @ BCE

2/26 – Mosaic Art Class for Homeschoolers, grades 6-12, @ LAC

3/15 – “Lunch & a Show” – Local band performing Irish music @ GPE

Legacy Gift

We discussed options for the Legacy Gift. This is purchased with some of the money raised from the World's Finest Chocolate fundraiser. We have a little over \$11,000 in our account right now. Traci likes to keep around \$7,000 in there as a safety net. So, with the \$4,000, we are looking at purchasing either basketball hoops or helping with the new walking path. Ani will get some numbers together and we'll discuss it at the next meeting.

Important Announcement

After 8 years as PIE President, Traci has decided to hand over the reins! If you're interested in finding out more about what it entails to be President, please contact her. She has years of notes to help you!

Matt Jacobson

The Resource Center (Old North Elementary) is up and running! There will be an Open House 2/12, 5:30 – 8:00. Service providers in the community will be there from 5:30 – 6:00 for a Meet and Greet

Mrs. Atnip is working on getting a fitness center for staff. Mrs. Jordan is doing great with Bobcat News and the Newberry Book Awards. Ani is very proud of all of the Specials Teachers!

Student of the Month

Each month our classroom teachers choose a Student of the Month based on a list of exemplary traits that characterize outstanding Bobcats. The list includes a positive attitude, self-control, integrity, enthusiasm for learning, accountability, compassion for others, respect, good citizenship, being kind, encouraging others, honesty, grit and perseverance. Classroom teachers submit the name of the student along with a paragraph detailing why they were chosen as Student of the Month. A student photograph and the paragraph are posted in the building. Every Bobcat, Every Day!

Name of Student: _____ Date: _____

This form is due in the Baldwin Creek Office no later than Tuesday, April 16, 2024.

There are many factors that we take into consideration when placing a child in a classroom. We consider academic progress, behavior, personality, and gender to ensure that each classroom has a good balance of students. As a parent you may be aware of special skills, needs, or situations that affect the placement of your child.

Please let us know of your child's unique needs.

This is NOT a request to have or not have a specific teacher.

What other considerations we should make when placing your child for the 24-25 school year?

Thank you,
Ani Heikkila, Baldwin Creek Principal

COOPERATION

PurposeFull Pursuits

PurposeFULL
People

Have some fun connecting as a family this month while practicing Cooperation. Here are 3 "PurposeFull Pursuits" for you to complete together. How many can you do this month?

Pursuit #1

This week, plan a time where everyone needs to work together to accomplish a shared goal like cleaning up the space you live in or making a meal together. Make sure everyone has a role to play with specific tasks. When the project is complete, discuss and celebrate how each person's part was important to the end result.

Pursuit #2

Review Cooperation as a family! Search through your cupboards for some board games your family has not played in a while, or grab a deck of cards for a simple game of Go Fish. Pop some popcorn and have fun playing together! Look for moments of Cooperation that you can point out.

For example:

- Choosing which game to play
- Handling wins and losses
- Choosing who gets to go first
- Working together to solve a problem

Pursuit #3

Find a time to sit in a circle together and celebrate all the ways you have seen each other practice Cooperation. Take turns sharing responses to the following prompts or make up your own! Remember to practice Cooperation as you take turns and listen to each other.

Celebration Prompts:

- What family member(s) do you want to celebrate for their Cooperation this month?
- Share about a time when you practiced Cooperation by working to resolve a conflict.

COOPERATION

4th Grade Family Connection

PurposeFULL
People

Overview

This month's focus is Cooperation. One way to think about Cooperation is "working together to reach shared goals." As a family, talk about how this definition applies to how you work together at home. What are some goals you share?

Cooperation is 1 of 3 traits we will focus on throughout the year that helps students Be Kind. Throughout the school, students will be developing skills like perspective-taking, conflict resolution, and leadership.

In The Classroom

We all experience conflict in life. We need tools to help us navigate conflict successfully. This month, 4th graders will practice using the Tree of Choices to practice conflict resolution. The Tree of Choices is a simple tool to help us resolve conflict successfully.

1. The Roots of the Tree:

- Identifying if the problem is big or small.
- **Big problems** require assistance from an adult, which usually means someone is being hurt physically or emotionally.
- **Small problems** can be solved on their own without adult assistance.

2. The Heart of the Tree:

- Naming the emotions you are feeling.

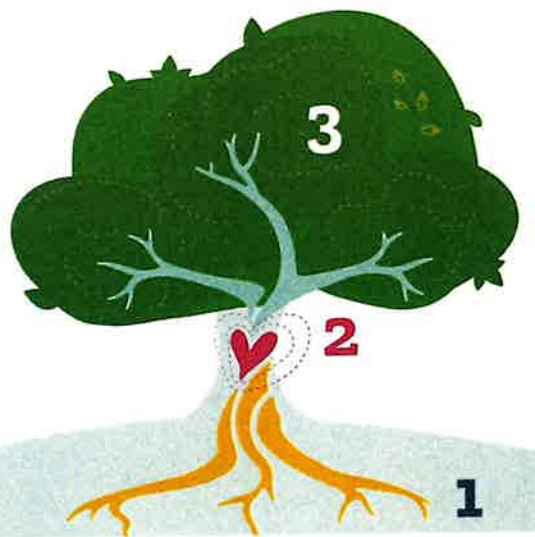

3. The Branches of the Tree:

Make a choice to:

- Move it out (step away from the problem)
- Talk it out (talk through the issue or connect with a friend/trusted adult)
- Breathe it out (practice some strategies that help us calm our emotions before responding in the heat of the moment).

Conversation Starters

- What does Cooperation mean in your own words?
- How do you think practicing conflict resolution helps us be more Cooperative?

Cooperation is 1 of 3 traits we will focus on throughout the year that helps students Be Kind. Throughout the school, students will be developing skills like perspective-taking, conflict resolution, and leadership.

In The Classroom

Leadership is how we influence others. It's a powerful way to positively impact the world around us. This month, 5th graders will build their leadership skills while practicing Cooperation.

Leadership skills we are building include:

- Positively influencing others through what we say and do
- Role modeling what it looks like to be a helpful member of the class or school

Another leadership skill we are focusing on is resolving conflict using the Tree of Choices. This is a simple tool to help us approach conflict in a healthy way, which shows good leadership and builds Empathy.

1. Identify the problem

2. Name your emotion

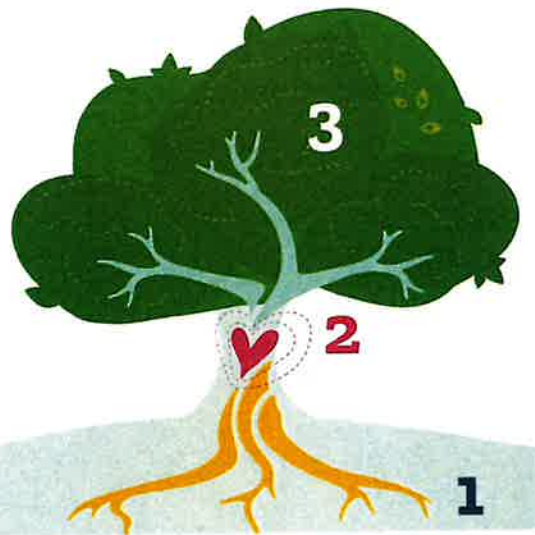

3. Make a choice:

- Move it out
- Talk it out
- Breathe it out

How can you encourage your student to practice leadership at home with other family members?

Conversation Starters

- What does Cooperation mean in your own words?
- In a leadership role, why do you think showing Kindness and Cooperation are so important?
