Dear Parent and/or Private School Official:

FCSD #1 is beginning to plan its Title I programming for the next school year. We need your help to identify all students who live in our school district a) who plan on homeschooling or attending private school, and b) who may be eligible for Title I services. Title I, Part A, authorized under the Elementary and Secondary Education Act, provides services to **children who need extra educational help and reside in Title I public school attendance areas.**

I will be providing an optional consultation meeting on **Monday, July 25th at 5:30-6:15 pm at the central office.** The meeting will include information about the support services our district provides. Additionally, we will make sure questions are answered and the WDE Verification documentation is complete.

If you are unable to attend, please complete and return the following documents.

I look forward to meeting you,

Deidre Meyer, FCSD #1 Curriculum Director
