District Update Jan 20, 2022

Calendar adoption

At Tuesday's board meeting, the calendar for the 2022/23 school board was adopted. [Here is a link](#) to the calendar.

Family Engagement Nights

Fremont County School District #1 Title I & IV, as well as the SAMHSA/AWARE grant, will be offering monthly family engagement opportunities geared toward providing information and support to families throughout their child's educational journey. The topics chosen will address the whole child, from instruction to mental and physical health.

Our first event of the year is being offered in partnership with the Lander Library. We are excited to announce an event with Dr. Ned Hallowell. Dr. Hallowell is an author, psychiatrist, and noted authority on ADHD--and he has an ADHD diagnosis himself. He is the co-author of the book *ADHD 2.0*, a book that acknowledges the positive characteristics of brains blessed with ADHD. Dr. Hallowell likens brains with ADHD to Ferraris with bicycle brakes. This will be a fantastic opportunity to inform yourself about ADHD as well as provide support for those who are raising or caring for a child with ADHD.

This event is free and open to the public. Whether you are a parent, spouse, sibling, or have ADHD yourself, all are welcome. The Library is also planning on hosting a book study to give the public further opportunities to share information, experiences, and ideas regarding this topic. Please call the Lander Library (332-5194) or Lander Schools (332-4711) if you have any further questions.

And here is the FB event so you can share on all your social networks: <https://fb.me/e/271IL2Yiu>

Dave Barker
Superintendent

"In partnership with families and community, we educate students to become responsible citizens who respect one another and have the motivation, skills, and knowledge to succeed."
