District Update Jan 7, 2022

COVID-19 protocol change

Due to the change in COVID-19 protocols adopted at the December board meeting that went into place January 3, 2022, we are removing the Campus Health Summary, Decision Guide, and the Positive COVID-19 Case Protocol from the website. [Please follow this updated FCSD #1 Illness Protocol](#) if your student is ill.

School Calendars 2022/23 - We are in the process of gathering input for the 2022-23 school year calendar. [Here is a link to a short survey](#) for you to provide your thoughts and preferences for start and end dates, vacation times, etc. When you receive the link, please take a few minutes to fill out the survey.

District Success Metrics

The board will be having a conversation in the next couple of months on developing a district report card. One of the elements for this will be to determine how we measure success as a district. This will allow us to align our work with not only district goals but the work of the State Board of Education on their Portrait of a Graduate work ([see their current draft here](#)). Stakeholders will be provided an opportunity to give input and feedback on proposed measures.

Dave Barker
Superintendent

"In partnership with families and community, we educate students to become responsible citizens who respect one another and have the motivation, skills, and knowledge to succeed."
