## District Update October 4, 2022

### **Title I, Part A Annual Meeting**

From the Curriculum & Instruction and SpEd Office:

FCSD #1 welcomes stakeholders to attend our fall Title I, IDEA (Individuals with Disabilities Education Act) informative meeting. This is a great opportunity to learn more about, and provide feedback on, these supportive programs.

Central Office Board Room

### **Family Engagement Nights**

In the last two weeks the District has hosted presentations on the “The Dangerous Truth about Today’s Marijuana” and “Parenting in a Tech Addicted World.” Both presentations were well received by those who attended. If you were unable to attend here is a link to Laura Stack’s website [Johnny’s Ambassadors](#) where you can find information and research on marijuana. Wyoming PBS recorded a portion of Laura’s presentation for their series; A [State of Mind: Confronting Our Mental Health Crisis](#). That episode will appear sometime in the Spring of 2023. Also, here is a link to a [video presentation](#) Laura gave in April of 2021.

Last week, Dr. Lisa Strohman gave three presentations on some of the concerns she is seeing as a researcher and clinical psychologist regarding technology use. Dr. Strohman presented to Baldwin Creek students on Thursday and then to parents Thursday night. She then followed up with LMS students Friday morning. Our parent liaison, Matt Jacobson, recorded a [podcast](#) with Dr. Strohman that covered material not provided in those presentations. We will be providing a link, in the new [Family Engagement Newsletter](#), and on our website, to a presentation Dr. Strohman gave the week prior. The Family Engagement Newsletter can be found on the [Parent Liaison tab](#), under the Quick Links Parents tab on the Lander schools website.
