District Update December 15, 2021

COVID-19 protocol change

At last night's board meeting, the board adopted a new quarantine protocol that will become effective January 3, 2022. District personnel will not be conducting contact tracing or notification and will leave that and any enforcement to the Department of Health. The wording of the motion identifying the new protocol states:

The Board directs Dr. Barker to notify the Wyoming Department of Health and District stakeholders that starting January 3, 2022 Fremont County School District #1 staff and administration will no longer conduct Covid-19 contact tracing and notification nor will they enforce Covid-19 protocols. The Board encourages all students and staff to follow the recommendations they receive from WDH during contact tracing. Further, the Board encourages all students, parents, and District personnel to strive to be responsible citizens who respect one another and take personal responsibility in limiting the spread of Covid-19 and other communicable diseases by continuing to adhere to current District policies.

Calendars

School Calendars 2022/23-2023/24 - We are in the process of gathering input for the 2022-23 and 23-24 school year calendars. You will receive a survey link soon that will ask for your thoughts and preferences for start and end dates, vacation times, etc. When you receive the link, please take a few minutes to fill out the survey. We'll share the results in January.

Board meetings calendar - The board adopted its meeting calendar, which will be posted on the [Board of Trustees page](#) on the website.

District Success Metrics

"In partnership with families and community, we educate students to become responsible citizens who respect one another and have the motivation, skills, and knowledge to succeed."

Fremont Co School District #1 (307) 332-4711 Lander, Wyoming
www.landerschools.org - www.facebook.com/LanderSchools - @LanderSchools

The board will be having a conversation in the next couple of months on developing a district report card. One of the elements for this will be to determine how we measure success as a district. This will allow us to align our work with district goals and support work toward meeting those goals. Stakeholders will be provided an opportunity to give input and feedback on proposed measures.

Podcast

Our latest Podcast with Gannett Peak Elementary Assistant Principal Megan Park will be available on the website later this week.

Dave Barker
Superintendent
